

A FRIENDLY REMINDER OF THE RULES FOR REGISTERING FOR REGULAR PRACTICE SESSIONS

- ① Please register your participation on our Facebook page at least 1 week before the practice session. The number of people who confirm their participation will be used as a reference for setting targets for the number of courts to reserve.

- ② We understand that things often change suddenly. Please do not be afraid of cancelling at the last minute, we would rather you selected “Going” instead of “Maybe” by the due date.

- ③ The more people who make court bookings, the higher the success rate. Even if you can't attend on the day, there are ways for you to help us, so we look forward to having you join our court booking team! If you're successful in booking a court, your KTP ranking is sure to go up! (??)

🏸 = Practice session 📅 = Court booking

We make court booking early in the morning 6 days before, so 7 days before (the same day of the previous week), we set a goal for the number of courts we want to book and share that information with the booking team members.
